Bell's Spiced Seasoning

IS made of the granulated leaves of the most fragrant sweet herbs and choice selected spices, having all the flavors that can be desired, thereby saving the trouble of having to use a dozen different kinds of herbs and spices in order to give the proper flavor to the dressing. One tablespoonful is enough to season the dressing to an eight-pound turkey.

J. B. WISTAR, Esq.,

Steward of one of the most prominent New York Hotels, writes
as follows :

“I consider your **Bell Spiced Seasoning** the only reliable compound ever placed before the public for seasoning meats, poultry, game, etc. Since filling the position of Steward at this house, I have been overpersuaded to try other makes, and in every instance had to either return or throw them away, and fall back on the old reliable **Bell Spiced Seasoning**.”
