## CONDENSED MILK.

SOLD EVERYWHERE.

THE standby of the Army, Navy, Merchant Marine and of Miners, Tourists, Travelers and Exploration Parties.

For Coffee, Cocoa, Chocolate and on Cereal Foods it is superior to cream, and also unsurpassed in making Ice Cream, Sauces, Fruits, Syrups and Puddings.

This Brand of Condensed Milk is universally regarded as a necessity, being available in nearly all recipes requiring milk. Its use as an infant food is unapproached by any other substitute for mother's milk. An experience of more than 40 years has demonstrated its uniform standard of excellence and superior quality which are everywhere recognized.
