# Horsford's Acid Phosphate,

Prepared according to the directions of Prof. E. N. HORSFORD,  
of Cambridge, Mass.

## FOR DYSPEPSIA,

Indigestion, Headache, Mental & Physical  
Exhaustion, Nervousness, Hysteria,  
Night Sweats of Consumption, etc.

There seems to be no difference of opinion in high medical authority, of the value of phosphoric acid, and no preparation has ever been offered to the public which seems to so happily meet the general want as this.

Every mental and physical exertion induces an augmented waste of the phosphates. This Acid Phosphate supplies that waste, and imparts new energy to the system, giving the feeling and sense of increased intellectual and physical power.

**It is not nauseous, but agreeable to the taste.**

**No danger can attend its use.**

**Its action will harmonize with such stimulants as are necessary to take.**

**It makes a delicious drink with water and sugar only.**
