GAUNTLET CURRY POWDER

In India, where the heat and dampness is so prostrating, Curry is almost an essential to good health. Our Curry Powder is prepared from the original recipe of a native Indiaman of Bombay, and possesses the **precise** flavor as well as the full strength of the genuine article.

In stews, soups, chowders, and in chafing dish preparations, it is unsurpassed. No condiment can be more carefully prepared than ours, and none is more appetizing.
